Memo to File:

Re: Steel Bros. Canada Ltd.
John Peacock, Placer Claims
Pending File
San Pete County

On April 14, 1978 Mr. Jim Jordan of Steel Bros. Canada Ltd. telephoned to inform the Division that they had completed their exploration drilling in the Manti area, west of Gunnison Reservoir and had reclaimed the surface disturbances; regrading, reseeding, and plugging drill holes (small diameter holes with wood plugs, and large holes with cement which still need to be done).

Their plans are to move near Delta, in the Candland Springs area, to conduct more exploration work. They will file a D.O.E. with the following locations in Township 21 South, Range 10 West:

Section 36 - NW $\frac{1}{4}$, NE $\frac{1}{4}$, and SW $\frac{1}{4}$
" 35 - NE $\frac{1}{4}$ and SE $\frac{1}{4}$
" 26 - NE $\frac{1}{4}$ and SE $\frac{1}{4}$
" 25 - NW $\frac{1}{4}$, SW $\frac{1}{4}$ and SE $\frac{1}{4}$
" 24 - Possibly

They have clearance from State Lands for Section 36 and are in the process of obtaining BLM clearance for the remaining sections.

A field inspections of these two areas should be scheduled sometime this spring.
